RIDE RESERVATIONS

Ride reservations should be placed at least two days in advance. Same day requests are made available as the bus schedules allow.

Because the demand for bus service is great, it is **important** that a ride reservation be canceled if it is no longer needed, 10 minutes prior to scheduled pick up time.

We request that you be ready 10 minutes before the scheduled ride time, in the same respect, the bus may arrive 10 minutes past the scheduled ride time. Please plan accordingly!

DOOR TO DOOR SERVICE

You'll have the convenience of a Eddy County Transit bus driver to meet you at your door and deliver you to the door of your destination. We request that you call when you are finished with your appointment and the bus will return to deliver you home. Packages are limited to what you can carry on and off the bus unassisted.

EXPERT DRIVERS

Eddy County Transit drivers are trained to assist you on and off the bus. You can expect safe and reliable service from our courteous and friendly drivers. Eddy County Transit can get you where you need to go!
